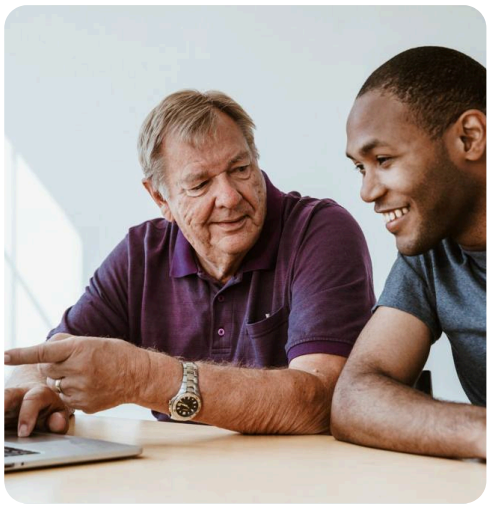
WELCOME TO YOURSOCIAL

Who we are and what we do

YourSocial is a UK organisation that designs and delivers workshops, programmes and bespoke training for young people, communities and employers. We help schools, youth clubs, children's homes, community groups, council youth teams and employers run engaging, well-organised activity that makes a real difference.

Our 30 ready-to-run workshops are grouped into three strands, Empower, Build and Sustain, and cover employability, workplace skills and green futures, from Key Stage 1 to adult learners. We deliver them in person or online, as one-off sessions, a series or a full programme, and we design bespoke training around your organisation.



Workshops

30 ready-to-run sessions in three strands, for ages 5 to adult.

Signature programmes

Programmes that bring workshops together around a clear goal.

Bespoke training

Training and programmes designed around your organisation.

Why work with us

Ready to run

Every session is prepared in advance, so you can book with confidence.

Flexible

In person or online, as a one-off session, a series or a full programme.

Tailored

We shape sessions around your setting, your group and your goals.

Evidence built in

Feedback is gathered as we go, so you can show the difference made.

We also support businesses to plan, deliver and report their social value. Our Services & Workshops Catalogue is available on request.

HOW WE WORK

The YourSocial High 5

One simple method, five clear stages, used for every workshop, programme and piece of bespoke training.

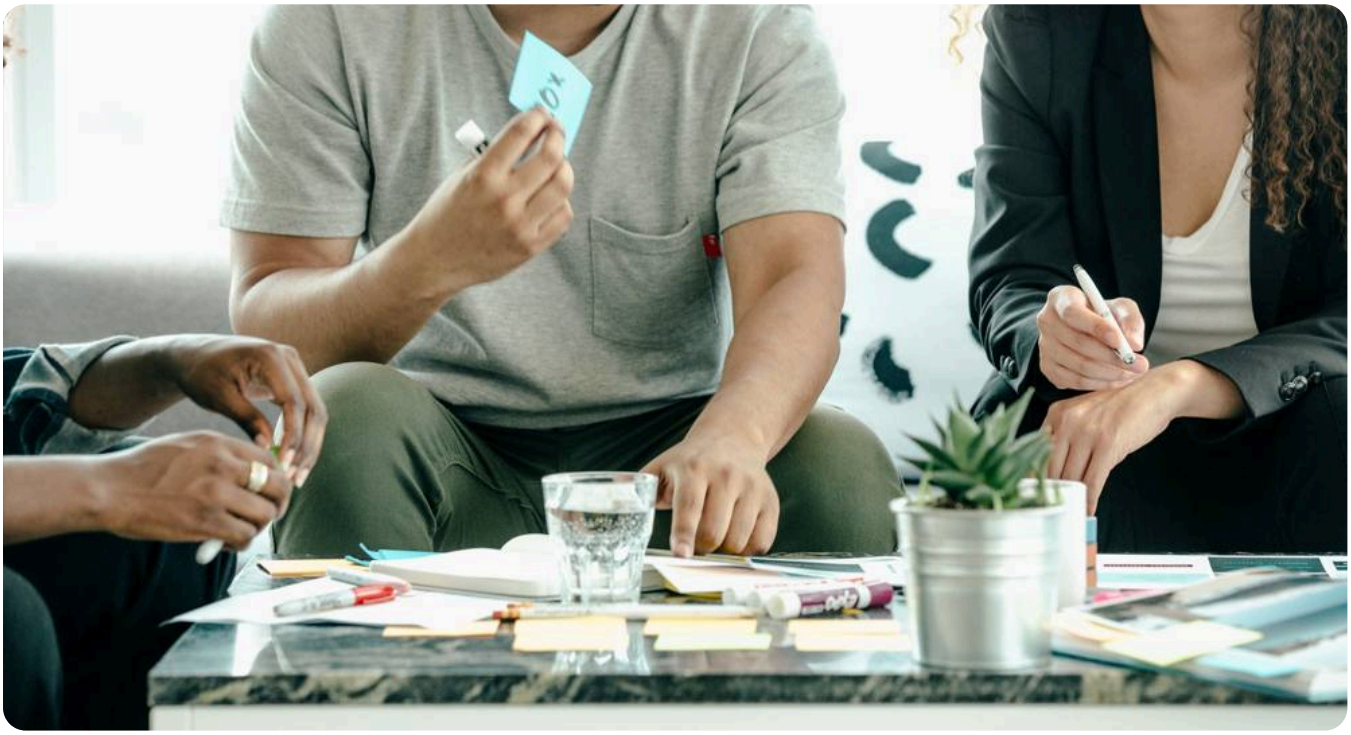
01
Understand
We get to know your setting, your group and what you want to achieve.

02
Plan
We agree the sessions, the format and the difference you want to see.

03
Deliver
Experienced facilitators run engaging sessions, in person or online.

04
Evidence
We capture feedback and outcomes as the work happens.

05
Report
You receive a clear summary of what was delivered and the difference made.



Who we work with

Schools and colleges
Sessions from Key Stage 1 to post-16, linked to careers and wider learning.

Youth clubs
Engaging sessions that meet young people where they are.

Children's homes
Small-group sessions shaped around each home and its young people.

Community groups
Workshops and programmes for local groups and community venues.

Council youth teams
Sessions and programmes that support local youth provision.

Employers running outreach
Meaningful activity with schools and communities, delivered for you.
